IMPORTANT NOTICE

The purpose of this white paper is to present Auoranex cloud and AUO (AUORANEX Token) to potential token holders in connection with the proposed ICO. The information set forth below may not be exhaustive and does not imply any elements of a contractual relationship. Its sole purpose is to provide relevant and reasonable information to potential token holders in order for them to determine whether to undertake a thorough analysis of the company with the intent of acquiring AUO. Nothing in this white paper shall be deemed to constitute a prospectus of any sort or a solicitation for investment, nor does it in any way pertain to an offering or a solicitation of an offer to buy any securities in any jurisdiction.

This document and information contained herein may not be sent and or addressed wholly or in part, directly or indirectly, to any person in the United States, New Zealand or the People’ s Republic of China, or any other jurisdiction in which it would be impermissible or restricted to offer, distribute, purchase, sell or retain cryptography tokens

INTRODUCING AUORANEX CLOUD

Auoranex is the decentralized of cloud storage platforms. **Auoranex** The Cloud Storage will provide many features for user to backup and restore, such as user friendly, free cloud storage, auto sync, extended storage with cryptocurrency, full-time customer services, external integration, mobile apps, and etc.

FEATURES

User friendly

As a Cloud storage, we offer a simple and modern web site display, making users very easy to access and explore your files with Browser or app.

Free cloud Storage

Auoranex is a free cloud storage based, you will get 5GB free when you register with Auoranex. You can also add your storage when you hold AUO tokens.

Auto Sync

When the Android or IOS mobile application has been launched, you can set auto sync in the application, so that your files on the smartphone can be saved automatically in our cloud.

Full-time Customer Services

As one of our main features, which is to serve your complaints, suggestions, criticisms when you contact our customer service that is full 24 hours serving you.

External Integration

Our system supports integration with other storage, so you can add your storage either on Auroanex or in other cloud storage.

Extended Storage with Cryptocurrency

Increase your storage capacity by using payments through AUO tokens or other cryptocurrency.

Mobile Apps

Auoranex App is a mobile application that provides convenience and security in backing up and restoring your data in our cloud. and not only that, our application is also integrated with ETH and ERC20 wallets, so you can save and transfer via this application.

MARKETING MODEL

Events

We have planning to make event, holder event on our platform, every holder get free space storage and free advertising in web Auoranex.

Referral Program

In addition to large paid marketing drives, useful referral programs it has been implemented, we will give a 25% reference bonus In the form of storage capacity that will be directly added to your storage if your referral extended storage in our Cloud Storage.

Advertising

Get free advertising on our website for 1 month for those of you who hold AUO tokens worth \$ 1000

AUO Token

The AUO Token being generated for the ICO will be tradable on any exchange willing to list it, and certainly on existing decentralized Ethereum token exchanges. Each holder of AUO Token is involved with the success of the exchange, which will create a natural viral effect as more people buy, sell, or hold.

AUORANEX TOKEN

Auoranex is a fully audited Ethereum based ERC20 utility token that is used for exchange fees on the Auoranex Exchange. As an ERC20 token, Storedig Token can be traded on Exchange as well as any cryptocurrency exchange supporting ERC20 based tokens.
